

To all EMN aisbl Members

Dear Member,

As previously mentioned in our email sent to you on 14th May 2018, the European Microfinance Network (EMN) will be holding its **first ever online General Assembly** in order to close the 2017 EMN Financial Accounts. **This online General Assembly is now open and will run until 25th June.**

During this two-week period, you are kindly requested to submit your votes on the 2017 & 2018 financial and work reports. **To do so, simply send us back [the following questionnaire](#) with your answers.** An additional question has been added regarding the mandates of the three board members who should finish their terms this month. For operational reasons these mandates need to be extended until early October 2018 when new elections to the EMN Board will be held.

Please find in the previous link the different motions and their respective voting options, together with the links to the relevant documents that are to be approved. To give you the chance to raise questions or express your opinion about the motions, **a webinar hosted by the EMN Board will be held on Monday 18th June 2018 at 12 PM CEST.** You can register for the webinar session [through the following link](#).

Lastly, please do not hesitate to [contact the EMN Secretariat](#) directly for any clarification about the first 2018 General Assembly.

With kind regards,

Elwin Groenevelt
EMN aisbl President
